22nd of October: Excursions

09:00 am Meeting with Mrs. Voigt (teacher and leader of the vocational training of cooks) at the vocational training center in Berlin-Weissensee (www.osz-gastgewerbe.de).

Mrs. Voigt is a promoter for new methods towards green cooking. She will explain us what actions take place at her school and how the implementation at the curriculum works. Besides the school Mrs. Voigt works for is also partner of the EU project "Vegucation", have a look at www.vegucation.eu

02:00 pm Meeting with Mrs. Busch, founder and CEO of the print shop operation "Oktoberdruck" that prints environmentally and climate friendly (www.oktoberdruck.de). The company is certified by EMAS (Eco-Management and Audit Scheme - www.emas.de/meta/english-summary). She will explain us how trainees learn green skills at "Oktoberdruck".

05:00 pm End of the excursion day
